

5th Annual St. Nicholas Handicap Sunday 15th of December 2019

Royston Heath held our 5th Annual St. Nicholas Handicap shoot on the 15th of December 2019. On arrival at the Heath, it was clear conditions were going to be tricky for shooting. However, after the previous weeks cancellation of our outdoor shooting, the range was set up in spite of the blustery conditions. The wind added a considerable extra challenge. In the end, nineteen brave souls competed, shooting the St. Nicholas and Kris Kringle rounds. After being blown around for seven dozen arrows, the scores were totalled and the results were announced. Congratulations to Keith and Mark for winning their respective rounds and Olli for the highest Junior shooting the St. Nicholas.
